### **About Best Lawyers**

Recognition in Best Lawyers is widely regarded by both clients and legal professionals as a significant honor, conferred on a lawyer by his or her peers. Best Lawyers lists of outstanding lawyers are compiled by conducting exhaustive peer review surveys in which tens of thousands of leading lawyers confidentially evaluate their professional peers. If the votes for a lawyer are positive enough for recognition in Best Lawyers, that lawyer must maintain those votes in subsequent polls to remain in each edition. Lawyers are not permitted to pay any fee to participate in or be recognized by Best Lawyers.
